We love groups, and our experienced staff understands what tour operators and receptives need to be successful.

A visit to the Boothbay Railway Village is the perfect complement to a stop at Coastal Maine Botanical Gardens, a trip with Cap'n Fish's Whale Watches or Harbor Cruises, and a show and dinner at the Carousel Music Theater. We're happy to connect you to other attractions, lodging and restaurants.

Please make reservations well in advance. Payments required 14 days prior to your group's arrival for specialty programs. Special billing programs for operators who plan to visit more than six times in a season.

Add On for a Richer Experience:

Model T Rides
